

I am writing to express my concerns for my family and my community if our local radio station K-LOVE were to be displaced by an LPFM broadcaster that provides other programming.

K-LOVE has been an encouragement to my family and a safe haven on the radio that my children and I can turn to. It provides a wonderful service for those in our church, especially the youth groups and is a great source for positive radio for those who are channel surfing.

I hope that K-LOVE will stay on the air in my area as without it the radio just wouldn't be the same.

Thank you for your time,

Arin Brenner
